

### Revolutionary War Geography – How well do you know where notable battles of the Revolutionary War took place?

**Directions:** Cut out the battle names with a scissors and paste them to their correct places on the map.

The map shows the Eastern United States and parts of Canada. The word "CANADA" is written in the upper left. The word "ATLANTIC OCEAN" is written in the lower right. There are seven blank rectangular boxes on the map: one in the northern New England area, one in the New York/Pennsylvania area, one in the New Jersey/Pennsylvania area, one in the Delaware/Maryland area, one in the Virginia area, one in the North Carolina area, and one in the South Carolina area. To the right of the map is a list of battle names, each in a dashed-line box, with a scissors icon above the list. The battle names are: Yorktown, Lexington & Concord, Brooklyn Heights, Ft. Ticonderoga, Trenton, Saratoga, and Charleston.
